Closed Session Authority

If, during the course of the meeting covered by this Notice, the Board should determine that a closed or executive meeting or session of the Board should be held or is required in relation to any items included in this Notice, then such closed or executive meeting or session as authorized by Section 551.001 et seq. of the Texas Government Code (the Open Meetings Act) will be held by the Board at that date, hour and place given in this Notice or as soon after the commencement of the meeting covered by the Notice as the Board may conveniently meet in such closed or executive meeting or session concerning any and all subjects and for any and all purposes permitted by Sections 551.071, inclusive, of the Open Meetings Act, including, but not limited to:

Section 551.071 – For the purpose of a private consultation with the Board’s attorney on any or all subjects or matters authorized by law.

Section 551.072 – For the purpose of discussing the purchase, exchange, lease or value of real property.

Section 551.073 – For the purpose of considering a negotiated contract for a prospective gift or donation.

Section 551.074 – For the purpose of considering the appointment, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee or to hear complaints or charges against a public officer or employee.

Section 551.076 – To consider the deployment, or specific occasions for implementation, of security personnel or devices.

Section 551.084 – For the purpose of excluding a witness or witnesses from a hearing during examination of another witness.

Section 551.087 – To discuss or deliberate regarding commercial or financial information that the Board has received from a business prospect that the Board seeks or may seek to have locate, stay, or expand in or near the territory of the College and with which the Board is conducting economic development negotiations or to deliberate the offer of a financial or other incentive to such business prospect.

Should any final action, final decision, or final vote be required in the opinion of the Board with regard to any matter considered in such closed or executive meeting or session, then such final action, final decision, or final vote shall be at either:

- A. The open meeting covered by this Notice upon the reconvening of the public meeting, or
- B. At a subsequent public meeting of the Board upon notice thereof, as the Board shall determine.

Certification as to Posting or Giving of Notice

On this day, September 15, 2022, this notice was posted to the College’s website, on a bulletin board located at a place convenient to the public at the administrative building of the San Jacinto Community College District, 4624 Fairmont Parkway, Pasadena, Texas, and is readily accessible to the public upon request.

Action Item “IV”
Special Board Meeting September 19, 2022
Consideration of a Resolution to Approve Submission of Grant Application

ADMINISTRATION RECOMMENDATION/REPORT

The administration recommends that the Board of Trustees approve submission of a grant application to the Office of the Governor for the purchase of Bullet-Resistant Shields for the San Jacinto College Police Department.

BACKGROUND

The Office of the Governor’s Public Safety Office issued a Funding Announcement on August 17, 2022, for a Bullet-Resistant Shield Grant Program for police departments of school districts and institutions of higher education. The application is due on September 19, 2022 and requires an authorizing resolution from the College’s governing body. The resolution notes that any funding will be used appropriately, and also designates the Vice Chancellor, Fiscal Affairs as the authorized official.

The purpose of the grant is to allow eligible police departments to obtain bullet-resistant shields compliant with the National Institute of Justice. These shields may only be used to equip peace officers directly employed by the College.

IMPACT OF THIS ACTION

This type of shield is generally used to shield officers as they approach armed suspects with weapons. Once obtained, proper training will ensue, and the shields will comprise an additional layer of protection for the College’s officers.

BUDGET INFORMATION (INCLUDING ANY STAFFING IMPLICATIONS)

The grant will fully fund the purchase of the shields, with no cost to the College.

MONITORING AND REPORTING TIMELINE

Any award to the College will be presented to the Board of Trustees for budget approval.

RESOLUTION

WHEREAS, The San Jacinto College Board of Trustees (Governing Body) finds it in the best interest of the citizens of the San Jacinto Community College District, that the San Jacinto College Bullet-Resistant Shield Project be operated for the 2022-23 academic year; and

WHEREAS, The San Jacinto College Board of Trustees agrees that in the event of loss or misuse of the Office of the Governor funds, the San Jacinto College Board of Trustees assures that the funds will be returned to the Office of the Governor in full.

WHEREAS, The San Jacinto College Board of Trustees designates Ms. Teri Zamora, Vice-Chancellor, Fiscal Affairs, as the grantee's authorized official. The authorized official is given the power to apply for, accept, reject, alter or terminate the grant on behalf of the applicant agency.

NOW THEREFORE, BE IT RESOLVED that The San Jacinto College Board of Trustees approves submission of the grant application for the San Jacinto College Bullet-Resistant Shield Project to the Office of the Governor.

Special Board Meeting September 19, 2022

**Consideration of Approval of 2022 Proposed Tax Rate, Review of Final No-New-Revenue and
Voter-Approval Tax Rate Calculations and Approve Date to Adopt Tax Rate**

ADMINISTRATION RECOMMENDATION/REPORT

The administration recommends that the Board of Trustees approve the proposed tax rate of \$0.155605 for tax year 2022 for the public’s consideration and planned adoption on October 3, 2022, and discuss the final no-new-revenue, voter-approval and proposed tax rate calculations. The proposed tax rate of \$0.155605 is \$0.012362 lower than last year’s 2021 adopted rate.

BACKGROUND

A taxing unit must calculate and publish its no-new-revenue and voter-approval tax rates before adopting an actual rate. The purpose of this requirement is to make taxpayers aware of the tax rate proposed and to allow taxpayers, in certain cases, to vote on a proposed tax increase.

The no-new-revenue tax rate, calculated to be \$0.148513, is the rate that would provide the taxing unit with about the same amount of revenue it received in the previous year, less estimated refunds from disputed values. The total tax rate for 2021 was \$0.167967. The no-new-revenue tax rate is less than last year’s total tax rate because the College’s certified tax values increased by 15.3 percent from 2021 to 2022.

The debt tax rate is lower than last year’s rate even with the new debt issue during FY2022 due to the refinancing and early payoff of general obligation bonds in FY2022, and the increase in the College’s certified tax values.

The voter-approval tax rate, calculated to be \$0.158015, is the rate that would provide the taxing unit with approximately the same amount of tax revenue it received the previous year (less estimated refunds from disputed values), plus an extra eight percent increase, in addition to sufficient funds to pay debts in the coming year. The voter-approval tax rate is the highest tax rate allowed without voter approval.

IMPACT OF THIS ACTION

The proposed tax rate of \$0.155605 is less than the voter-approval rate of \$0.158015, higher than the no-new-revenue rate of \$0.14851, and \$0.012362 cents less than the previous year’s total tax rate.

A comparison of the components of the proposed 2022 tax rate and the actual 2021 tax rate are as follows:

Tax Rate	Proposed 2022 Tax Rate	Actual 2021 Tax Rate	Difference
M&O (Operations)	0.105500	0.112838	-0.007338
I&S (Debt)	0.050105	0.055129	-0.005024
Total Tax Rate	0.155605	0.167967	-0.012362

Tonight (September 19, 2022), the Board of Trustees will discuss and approve the total proposed tax rate of 0.155605 cents. A public hearing is required, which will be held on October 3, 2022,

since the proposed tax rate is higher than the no-new-revenue tax rate. Appropriate notices will be placed on the College’s website and published in newspapers in compliance with the Truth-in-Taxation, Property Tax Code, Chapter 26. On October 3, 2022, the Board will finalize and adopt the 2022 tax rate.

The public hearing and tax rate adoption is scheduled as follows:

The public hearing regarding the 2022 tax rate will be held on Monday, October 3, 2022, at 7 p.m. in Room 104 of the Thomas S. Sewell District Administration Building, 4624 Fairmont Parkway, Pasadena, Texas.

The San Jacinto Community College Board will vote to adopt the 2022 tax rate at its regularly scheduled meeting on Monday, October 3, 2022, following the public hearing, at 7:00 p.m. in Room 104 of the Thomas S. Sewell District Administration Building, 4624 Fairmont Parkway, Pasadena, Texas.

BUDGET INFORMATION (INCLUDING ANY STAFFING IMPLICATIONS)

The proposed Maintenance and Operations tax rate for 2022 is \$0.105500 per \$100 assessed valuation, generating the approximate amount of tax revenue needed to support the adopted fiscal year 2022-2023 (FY2023) unrestricted budget.

The proposed Debt Service tax rate for 2022 is \$0.050105 per \$100 assessed valuation, generating the approximate amount of tax revenue needed to meet debt payment obligations for FY2023.

MONITORING AND REPORTING TIMELINE

Updates will be provided to the Board of Trustees through monthly College financial statements.

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate before the unused increment rate for the prior three years.³⁹ In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the unused increment rate for that year would be zero.

The difference between the adopted tax rate and voter-approval tax rate is considered zero in the following scenarios:

- a tax year before 2020;⁴⁰
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);⁴¹ or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.⁴²

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.⁴³

SECTION 6: De Minimis Rate

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.⁴⁴

This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.⁴⁵

SECTION 7: Voter-Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁴⁶

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁴⁷

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
