

ATI TEAS: Frequently Asked Questions

ATI TEAS (Test of Essential Academic Skills) Assessment is a computerized test that measures your general knowledge in various content areas. The maximum time allowed to complete the entire examination is four (4) hours.

Candidates need to be aware that each question has a different point value. It is suggested that an applicant supply an answer for each test question, however, two individuals who have the same number of correct answers may earn a different overall score based on the weight of the test questions each applicant answered correctly.

A minimum score of proficient is required for the Overall Score. First transcript is free, additional transcripts are \$29.99 each. If you are testing at San Jacinto College Central Campus, we will automatically receive your TEAS results upon completion.

ATI ACADEMIC PREPAREDNESS LEVELS
